

LCMS Foundation – Consultant profile

Wilshire Associates (Consultant)

Wilshire Associates provides investment consulting services for the Foundation. Wilshire is a premier organization and the consulting division, established in 1981, uses a comprehensive approach to asset allocation, investment structure, manager selection, and performance measurement. Extensive manager due diligence, risk control, and cost management are key to their work. Wilshire currently consults to more than 125 clients with total assets in excess of \$800 billion.

Wilshire assists the Foundation in all phases of the investment program.
